

Pronouns

A **pronoun** is a word that takes the place of a noun.

For each sentence, pick a pronoun to replace the underlined word or words.

1. The principal asked Mr. Jax to bring his class in first.

2. Lori shared a birthday treat with her class.

3. Aunt Sue went to the baseball game with us.

4. Isabella cried because she hurt her foot while walking the trail.

5. I dropped my smartphone down the steps but thankfully it still works.

6. Alex and I played the game for an hour before we beat the level.

7. Uncle John dropped Aria and I off after tap dance class.

8. Gabrielle baked a cake for Marshall.

9. I really like the new clothes I bought.
