

Action Verbs Practice

Remember, verbs are words that tell us what something is doing, or what happened. Action verbs are words that *SHOW* what the subject of the sentence is doing. They show movement or action.

Underline the action verb in each sentence. To find the action verb, ask what the subject did.

9. My dog jumped over the branch.
10. The wind blows the tree leaves.
11. The children slid down the sliding board.
12. The sun shined on the lake.
13. The water rippled from the stone.
14. John walked his cat around the block.
15. The child jumped on the trampoline.
16. Isabelle sang a beautiful song.
17. Mary dances to the song on the radio.
18. Mark spied on his brother.
