

Active & Passive Voice

When a sentence is written in active voice, the subject performs the action. In a sentence written in the passive voice the subject receives the action.

Write "Active Voice" if the sentence is written in active voice, and "Passive Voice" if its written in passive voice.

1. Our team won the match.

2. A huge pan of lasagna was cooked by the chef.

3. The spider grabbed the bug.

4. The cat chased the mouse.

5. The mouse was chased by the cat.

6. The bug was grabbed by the spider.
