

Superlative Adjectives

Adjectives are words that describe nouns. Adjectives give us information about how something feels, looks, sounds, tastes or smells. **Superlative adjectives** describe a characteristic or trait to the **highest degree**.

Write the superlative form of each word by adding "-est" to the end of the word. Note, you may have to double the last consonant, or change a "y" to an "i" before adding "-est".

1. nice _____
