

## Verbs

**Linking verbs** are words that **help** the action verb.

Linking verbs can include forms of be, can, do, has, will, shall, may and might. For example, the linking verb is underlined and a box is drawn around the action verb:

Caroline has painted a beautiful castle.

Mike can climb the rock wall by himself.

For each sentence, underline the helping verb and draw a box around the action verb.

1. I am going to the movies tomorrow.
2. We will hike for two miles today.
3. My little sister is coming with me.
4. Elephants are kept in large and natural zoo exhibits.
5. You may watch this video tonight.
6. Viggo has gone to a professional football game before.
7. Vada is taking a long time to find her horse.
8. Isabella has seen a dolphin in the wild.
9. Mike can whistle.
10. Gabriella was bouncing off the walls.
