

Worksheet # 7

Good job! Let's do puzzle again.

Cut the puzzle pieces below. On the next page are the answer that represent each puzzle piece. Solve the addition sentences on the puzzle board. Pair the puzzle piece on the parts of the puzzle board and attach it to form the figure.

Puzzle Pieces:

1. 99 468

3. 34 488

5. 73 978

7. 38 989

2. 35 878

4. 99 759

6. 68 688

8. 76 688

$23\,467 + 12\,411$	$56\,354 + 12\,334$	$89\,109 + 10\,650$	$26\,574 + 12\,415$
$64\,353 + 12\,335$	$11\,345 + 23\,143$	$74\,345 + 25\,123$	$63\,478 + 10\,500$

Answer Key:

Worksheet # 7:

From left to right (1st row)

1st square: 35 878

2nd square: 68 688

3rd square: 99 759

4th square: 38 989

From left to right (1st row)

1st square: 76 688

2nd square: 34 488

3rd square: 99 468

4th square: 73 978
