

Find the main idea of each paragraph and underline the main topic sentences that best describes the main idea.

1. Captain Awesome was the best superhero ever! He could see like a hawk to find and catch the bad guys. When chasing criminals, he could run like a cheetah. He was as strong as an ox and could move things out of his way as easy as pie. He could move like a leopard when zigzagging between obstacles and jump like a kangaroo over barriers. He ran as speedy as a lightning bolt. He really was the best superhero of all time.
2. Isabelle would never get her room clean. It looked like a hurricane had hit it. She couldn't believe how much mess her friends and her had made last night. They pulled everything out and didn't put anything back when they were done playing with it. There were paint handprints on her wall, ink spilled on her desk and nail polish on the rug. Her bedspread was covered with chocolate and even the family dog had finger paint on her coat. Wow, what a mess her friends and her had made last night. Next time, she thought, she'd take the time to clean up as they played so she wouldn't be left with such a mess.
