

Put the greater number in the big figure and smaller in the small figure.

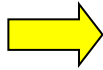

1. 78823

23115

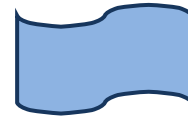

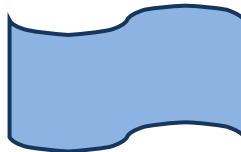

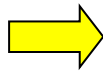

2. 12345

54321

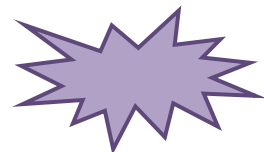

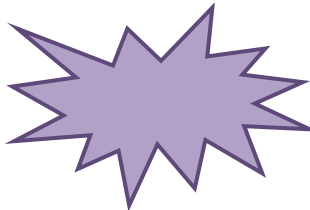

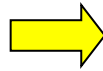

3. 72378

72371

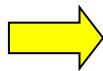

4. 10000

90000

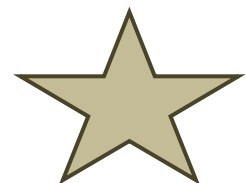

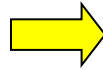

5. 81103

31103

6. 12001

15001

ANSWERS

WORKSHEET#6

1) greater = 78823, smaller = 23115

2) greater = 54321, smaller = 12345

3) greater = 72378, smaller = 72371

4) greater = 90000, smaller = 10000

5) greater = 81103, smaller = 31103

6) greater = 15001, smaller = 12001
