

# DATA HANDLING

## 'Carroll & Venn Diagrams'

**Carroll Diagrams & Venn Diagrams** is a way to sort the data or information collected into different categories with the help of diagrams.

Following is an example of Carroll and Venn diagrams which shows the data sorted according to the different categories.

Sort the numbers in **Carroll diagram**: 99, 2, 35, 6, 5, 100, 1, 44, 29, 68, 73

	Number less than 10	Number greater than 10
Even	6, 2	44, 68, 100
Odd	1, 5	73, 29, 99, 35

Sort the numbers in **Venn diagram**: 16, 42, 67, 4, 22, 45, 12, 51, 8, 18, 101, 2
