

Bar Graphs  
**WORKSHEET#9**

The following table shows the number runs 6 players scored in a cricket match.  
Draw a bar chart for the following data & answer the questions.

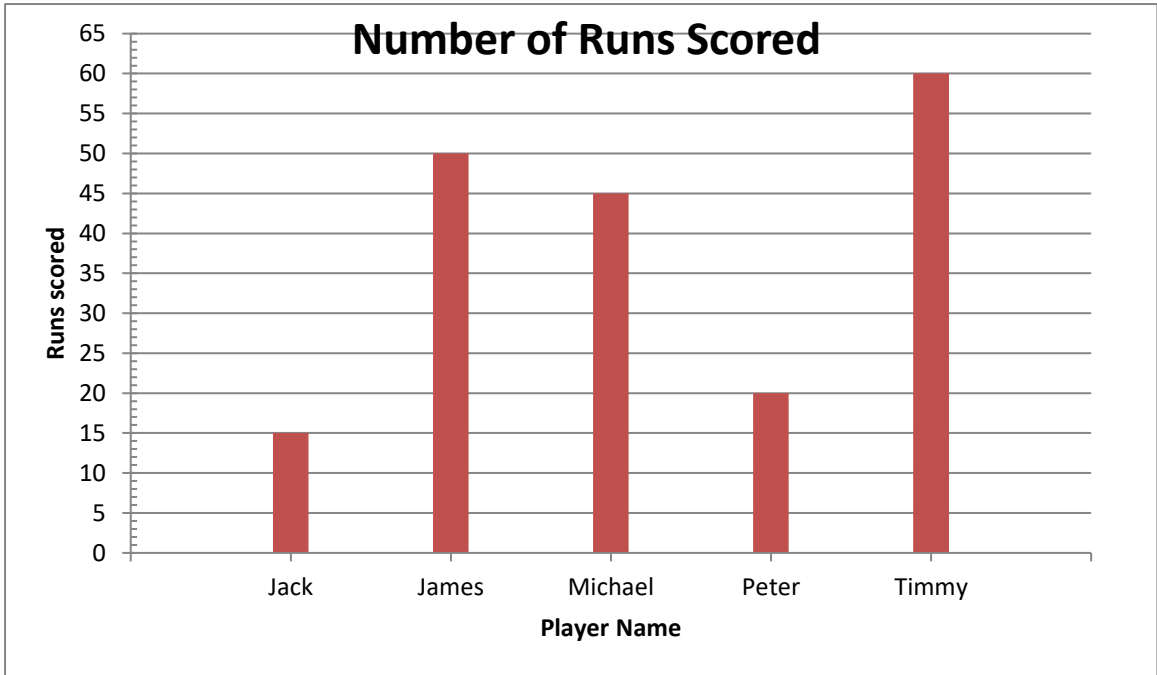

Name	Jack	James	Michael	Peter	Timmy
Runs Scored	15	50	45	20	60

Answer the following questions based on the bar graph.

- 1) Who scored the maximum number of runs? \_\_\_\_\_
- 2) How many more runs James score than Jack? \_\_\_\_\_
- 3) Who scored more runs: James or Timmy? \_\_\_\_\_
- 4) How many runs did Jack, James and Peter score altogether? \_\_\_\_\_
- 5) Which Player scored half a century? \_\_\_\_\_

ANSWERS

- 1) Timmy
- 2) 35
- 3) Timmy
- 4) 85
- 5) James
