The following machine take a number as an input and the output is the square of that number. Process the following numbers in the machine.

Input = 2 → | Squaring Machine | → Output = 4

1.
Input = 5
Output = _____

2.
Input = 10
Output = _____

3.
Input = 12
Output = _____

4.
Input = 8
Output = _____

5.
Input = 4
Output = _____

6.
Input = 9
Output = _____

7.
Input = 15
Output = _____

8.
Input = 7
Output = _____

ANSWERS

1) 25

2) 100

3) 144

4) 64

5) 16

6) 81

7) 225

8) 49
