

Poetry: Lyric Poems

Worksheet 7

Lyric poems are about emotion and observation. They often rhyme but do not always follow a pattern. Lyric poems were often set to music and had repeating stanzas. Read the lyric poem below and then try to create your own.

She loved me like no other
Closer than a sister or mother.
My best friend in the world.
Her hair always curled.
Loved the colors pink and blue
Her friendship was forever true.
To my best friend you are like no other,
For me there will never be another.

The poem above is about love and friendship, what emotion will your poem show? _____ Try writing your poem below.

Answer Sheet

Answers will vary greatly but make sure the poem shows emotion. As a challenge activity see if students can turn their poem into a short song.
