

Simple Sentences

Worksheet 1

Underline the subject once and the verb twice in each simple sentence. Being able to identify the subject and verb will help you identify simple sentences.

1. Will walked toward the school bus slowly.
2. Greta rode the horse with confidence.
3. The farmer greeted his cows with a whistle each morning.
4. The teacher stared at the students until they paid attention.
5. The glass fell from the table and shattered.
6. Will you be going to the party after school?
7. Harold jumped onto the trampoline with one bounce.
8. Hannah bought three new dolls with her birthday money.
9. The candles flickered in the darkness.
10. The backyard looked beautiful under the midnight stars.
11. The smoke from the fire rose into the evening air.
12. The blanket was made with love by her grandmother.
