

Choose the correct answer.

- 1) 9.07 rounded off to the nearest **tenth** is  
a) 9.0                      b) 9.1                      c) 9
- 2) 25.991 rounded off to the nearest **hundredth** is  
a) 25.99                      b) 26                      c) 25.9
- 3) 5.370 rounded off to the nearest **whole number** is  
a) 6                      b) 5                      c) 7
- 4) 370.707 rounded off to the nearest **hundredth** is  
a) 370.71                      b) 370.70                      c) 370.77
- 5) 4.47 rounded off to the nearest **tenth** is  
a) 4.48                      b) 4.4                      c) 4.5
- 6) 0.929 rounded off to the nearest **tenth** is  
a) 0.9                      b) 0.8                      c) 0.92
- 7) 19.563 rounded off to the nearest **whole number** is  
a) 20                      b) 19                      c) 18
- 8) 113.003 rounded off to the nearest **hundredth** is  
a) 113.1                      b) 113.01                      c) 113
- 9) 2.2929 rounded off to the nearest **thousandth** is  
a) 2.2929                      b) 2.292                      c) 2.293
- 10) 11.0281 rounded off to the nearest **thousandth** is  
a) 11.029                      b) 11.028                      c) 11.03

**ANSWERS**

1) b

2) a

3) b

4) a

5) c

6) a

7) a

8) c

9) c

10) b
