

Directions: Jude had to write a speech as if he were running for president of a county. Help him fill in the missing words to complete his speech.

If I am elected president, I want to be a _____
(*signage, representative, submissive*) of the people. I will not cover your lawns in
_____ (*heinous, metropolises, signage*), nor will I be
_____ (*coerced, submissive, transient*) into simply going
along with what others want or expect.

I have grown up in the _____ (*suburbs, slavery, transient*), but have also spent a great deal of time in different
_____ (*coerced, metropolises, deportation*) to learn how
many different people live. What I have noticed is a definite
_____ (*deportation, uptick, manipulate*) in the
_____ (*exploitation, deportation, slavery*) of people who are
considered illegal or from other countries even though they do not have the
right travel documents. These individuals are often forced into
_____ (*slavery, suburbs, coerced*) in some form in order to
work or have a place to live. They may end up as _____
(*slavery, transient, exploitation*), moving from place to place in order to keep
finding work to survive. This continual movement can leave people feeling
_____ (*coerced, anxious, transient*) with a very
_____ (*submissive, heinous, signage*) personalities, never
really asking for what they want or need. Some may even end up committing
_____ (*deportation, heinous, manipulate*) acts just to survive.
I want to put an end to the need to live in such a way.

My platform may not be unique, but it is important to me and to many
others in the country. I hope you vote for me!
