

Grade 7 Vocabulary

Week 39: Worksheet 4

Directions: Choose the word that best completes each sentence. Write it on the line.

1) People were willing to take the vaccine at first, but it seemed all the sudden some areas were flooded with too many vaccines, creating a

_____ (*booster, surplus, initiative*) that was going bad.

2) Large gatherings were limited to just a few people to try to prevent an

_____ (*outbreak, booster, mutations*).

3) When coronavirus began to spread quickly, there was a sudden push or

_____ (*coincide, surplus, emphasis*) on hand washing and mask wearing.

4) Over time it became obvious that each large outbreak seemed to

_____ (*coincide, booster, prioritise*) with a gathering of multiple people who were not wearing masks or had one person who was already ill.

5) There are many medical professionals that have had their say in the

coronavirus outbreak, but a(n) _____ (*vaccination, epidemiologist, inadequate*) had to explain the actual virus make-up.

6) The preparations made by hospitals for a worldwide pandemic were

_____ (*emerging, coincide, inadequate*) which quickly became clear.

7) Herd immunity will only come after _____ (*immunization,*

outbreak, pummeled) of a large part of the population.
